

Production Operative Employment Application Form

Please complete all sections to be considered for the role, completed application forms and CVs should be sent to Recruitment@protexin.com or posted to Recruitment Team, ADM Protexin Ltd, Lopen Head, Somerset, TA13 5JH.

About Us:

ADM Protexin Ltd is a rapidly expanding manufacturer based in the heart of Somerset. We manufacture high quality probiotic supplements for humans and animals and seek skilled Production Operatives to join our expanding Production Team.

Over the past 10 years, we have seen substantial growth across the business, and have doubled the number of employees within the last 5 years. It's an exciting time to join us, with our brand new, purpose built production facility due to open in September 2018, continuing the expansion of our Lopen Head site, near South Petherton.

About You:

If you are a team player and dedicated employee, with experience working with machines, either within the workplace or as a personal hobby/interest, and are looking for your next employment opportunity, then this could be the role for you!

Production Operative salaries start at £9.00 per hour, with salary increases as training and skills progress. In addition there are opportunities for Production Operatives to progress to Machine Setter roles.

Benefits of working with us:

Not only do we offer great rates of pay, training and a supportive working environment, but we also provide a generous benefits package, including:

- 25 days holiday plus bank holidays
- Pension scheme
- Discounted Protexin products
- Cycle to work scheme
- Childcare voucher scheme (subject to availability as per changing Government regulations)
- Employee assistance helpline and much, much more!
