

Production Team Leader Employment Application Form

Please complete all sections to be considered for the role, applications will only be accepted using this form, CV's will not be accepted.

Completed application forms should be set to Recruitment@protexin.com or posted to Recruitment Team, Probiotics International Ltd, Lopen Head, Somerset, TA13 5JH.

Closing Date for applications: 20th June 2018

Interviews will be conducted week commencing 25th June 2018

About Us:

Probiotics International Ltd (Protexin) is a rapidly expanding manufacturer based in the heart of Somerset. We manufacture high quality probiotic supplements for humans and animals and are seeking enthusiastic, knowledgeable and passionate Team Leaders to join the expanding team, and support the company with continued growth and success.

Over the past 10 years, we have seen substantial growth across the business, and have doubled the number of employees within the last 5 years. It's an exciting time to join us, with our brand new, purpose built production facility due to open in July 2018, continuing the expansion of our Lopen Head site, near South Petherton.

About You:

If you are an experienced Team Leader with a background in production and continuous improvement, and also have experience of working with machines, either within the workplace or as a personal hobby/interest, then this could be the role for you!

Benefits of working with us:

Not only do we offer great rates of pay, training and a supportive working environment, but we also provide a generous benefits package, including:

- 28 days holiday plus bank holidays
- Pension scheme
- Private healthcare after 12 months service
- Discounted Protexin products
- Cycle to work scheme
- Childcare voucher scheme (subject to availability as per changing Government regulations)
- Employee assistance helpline and much, much more!
