Protexin® Careers

Protexin is a division of Probiotics International Limited, the manufacturer and supplier of probiotic products including leading brands Bio-Kult and Lepicol. We specialise in producing effective, innovative, research based products of the highest quality for humans and animals.

This is a fantastic opportunity for an enthusiastic individual with an interest in Human Healthcare and Nutraceuticals to join a fast growing, dynamic and award winning organisation. The ideal individual will be a Nutritional Therapist or a qualified Practitioner, Pharmacy Technician or have a degree in a relevant science subject. Most importantly you must be passionate about our products!

The role:

- To conduct key account management of health stores and pharmacies in the areas of Middlesex, North West London and West London postcodes
- Training of Health Store and Pharmacy staff on the benefits of each of our products
- To visit health stores, pharmacies and health care providers to promote and educate staff & customers on the benefits of our products
- Ensure products are positioned well in-store and advise on best use of POS materials and where possible dress windows
- Interact with customers, giving advice and attend in-store open days
- Regularly liaise with the National Sales Manager, Technical Advisor's and attend regular meetings with the wider team
- Be able to attend various shows and conferences to promote our brands

Candidate:

- Degree or relevant qualification in Nutrition, Health and Human Sciences, Pharmacy Services, Pharmaceutical Sciences, or similar
- Professional personal presentation
- Good communication skills with confidence presenting technical information
- Strong relationship building skills with ability to gain customer loyalty from retail staff
- Driven, hardworking, self-motivated, super-enthusiastic, outgoing and a strong influencer

To apply for this opportunity, please send your CV plus a covering letter giving details of your current salary to:
