

PRESS RELEASE

Two New Faces at Protexin Probiotics

Manufacturers of Bio-Kult probiotics and Lepicol, for healthy bowels are expanding their human health sales team with two new appointments, Rupa Pattni and Jessica Guiffre.

The new look team is headed up by Tej Sehmbi – National Sales Manager and will be helping to educate health food and pharmacy retailers and their customers on the benefits of Bio-Kult and Lepicol products.

“Rupa has joined the team as a Territory Manager and Jessica has joined us as an experienced practicing Nutritional Therapist. She will be supporting the sales team by visiting our customers and training them on the benefits of our products. I am delighted to be welcoming them to our ever expanding team at Protexin”

Protexin information:

Protexin produce innovative research based products of the highest quality for animals and humans.

All products that carry the Protexin name are developed under their guiding philosophy – ***science and nature in balance.***

In practice this means that the natural healthcare and probiotic supplements they manufacture are extensively researched for safety and efficacy. They work closely with leading universities, hospitals and research centres around the world on a range of on-going research programmes and are always looking to improve their products, but never compromise on their natural basis.

All products are subject to an extremely high standard of production and quality control and they have the following accreditations; cGMP (MHRA), ISO 9001:2008, FEMAS, VMD (category 5), each of which involves regular audits to ensure standards are maintained.

This high standard was rewarded in 2011 by the Queen, when Protexin was awarded the Queen's Award for Enterprise for International Trade.

More recently Protexin obtained a listing in the 'Best Companies' to work for list.

Protexin operates in a number of different areas:

Protexin Health Care produce some of the most unique, innovate and highest quality probiotics in the UK. A team of highly qualified professionals in sales, technical support and marketing ensure we remain at the forefront of our industry.
