

## Production Operative

- Full time
- Permanent role
- Competitive salary
- Benefits package

# Protexin® Careers

Probiotics International Ltd (Protexin) is a rapidly expanding manufacturer based in the heart of Somerset. We manufacture high quality probiotic supplements for humans and animals and seek skilled Production Operatives to join our expanding Production Team.

Over the past 10 years, we have seen substantial growth across the business, and have doubled the number of employees within the last 5 years. It's an exciting time to join us, with our brand new, purpose built production facility due to open in July 2018, continuing the expansion of our Lopen Head site, near South Petherton.

If you are a team player and dedicated employee, with experience working with machines, either within the workplace or as a personal hobby/interest, and are looking for your next employment opportunity, then this could be the role for you!

### Main Responsibilities

- To carry out production activities as required including the set-up and operation of state of the art manufacturing equipment.
- To ensure that all products are made to the highest standard and meet required specifications, in accordance with quality requirements.
- To accurately read and understand manufacturing instructions, and utilise the in-house ERP (computer) system for all functions within the production facility.
- To work in an efficient manner at all times, to ensure that production lines run with to capacity and quality standards.
- To troubleshoot machine problems and where appropriate take corrective actions to rectify.

This is a busy hands-on role, and the ideal candidate will have experience working with machines or in a mechanical role, candidates also require a good level of IT knowledge to operate the ERP system.

Standard working hours are 8.30am – 5.00pm, however flexibility to start at 6am, work late shift from 5.00pm – 3.30am, and occasional Saturdays are essential. Your contribution to Protexin will be rewarded with an excellent salary and a range of benefits including contributory pension scheme, healthcare and 28 days annual leave plus bank holidays.
