

Protexin®

VETERINARY TERRITORY MANAGER (Midlands and North West region)

Fixed term contract for 12 months

As the world's population grows, so does demand for quality foods, feed ingredients for livestock, industrial products and alternative fuels. As one of the world's leading agricultural processors, ADM plays a pivotal role in meeting all of these needs. We produce the food ingredients, animal feeds and feed ingredients, biofuels and other products that manufacturers around the world use to provide a better life to millions of people around the globe. With more than 31,000 employees serving customers in more than 170 countries, a global value chain that includes 500 crop procurement locations, 270 ingredient manufacturing facilities, 44 innovation centers and the world's premier crop transportation network, we connect the harvest to the home. THE CANDIDATE

The ideal candidate will have a proven track record of sales success and ideally be a qualified veterinary nurse or equivalent (but not essential). Professional personal presentation and excellent communication skills are key for success in this role along with the ability to build strong relationships and quickly influence and gain customer loyalty.

A driven, enthusiastic and self-motivated individual will prosper and succeed in this position.

The ideal candidate will be based within the territory, and a full driving licence and flexibility to travel and make overnight stays is essential.

We are proud to be an equal opportunity workplace and value [diversity](#) at our company.

If you feel this job is for you, unlock your potential and apply now!
