

## Veterinary Territory Manager

- Full time, permanent role
- Home/field based
- Competitive salary
- Benefits package
- Company Car

# Protexin® Careers

This is a fantastic opportunity to join one of the fastest growing companies in the veterinary industry. We are seeking a sales professional to join our highly successful team and multi award winning organisation. This role may also suit an experienced veterinary nurse or university graduate looking to move into a sales role.

The role is based in South Wales and covers postcodes SA, CF, NP, LD, HR, GL and BS, and principle responsibilities include:

- Visiting veterinary practices to promote and educate staff & customers on the benefits of Protexin veterinary products.
- Managing and developing existing key accounts, and to build relations, identify and develop new accounts within the territory.
- Providing educational support to practices in the form of presentations and CPD events.
- Representing Protexin at veterinary conferences and exhibitions throughout the UK.

The ideal candidate will have a proven track record of sales success and ideally be a qualified veterinary nurse or equivalent (but not essential). Professional personal presentation and excellent communication skills are key for success in this role along with the ability to build strong relationships and quickly influence and gain customer loyalty.

A driven, enthusiastic and self-motivated individual will prosper and succeed in this position.

The ideal candidate will be based within the territory, and a full driving licence and flexibility to travel and make overnight stays is essential.

Your contribution to Protexin will be rewarded with a highly competitive salary and a range of benefits including a company car, excellent pension scheme, healthcare benefits and 25 days annual leave plus bank holidays.

To apply for this unique opportunity, please send your CV plus a covering letter giving details of your current salary to:
